**Air Calendar** is a powerful module able to calculate and display hundreds of prices in less than a second.

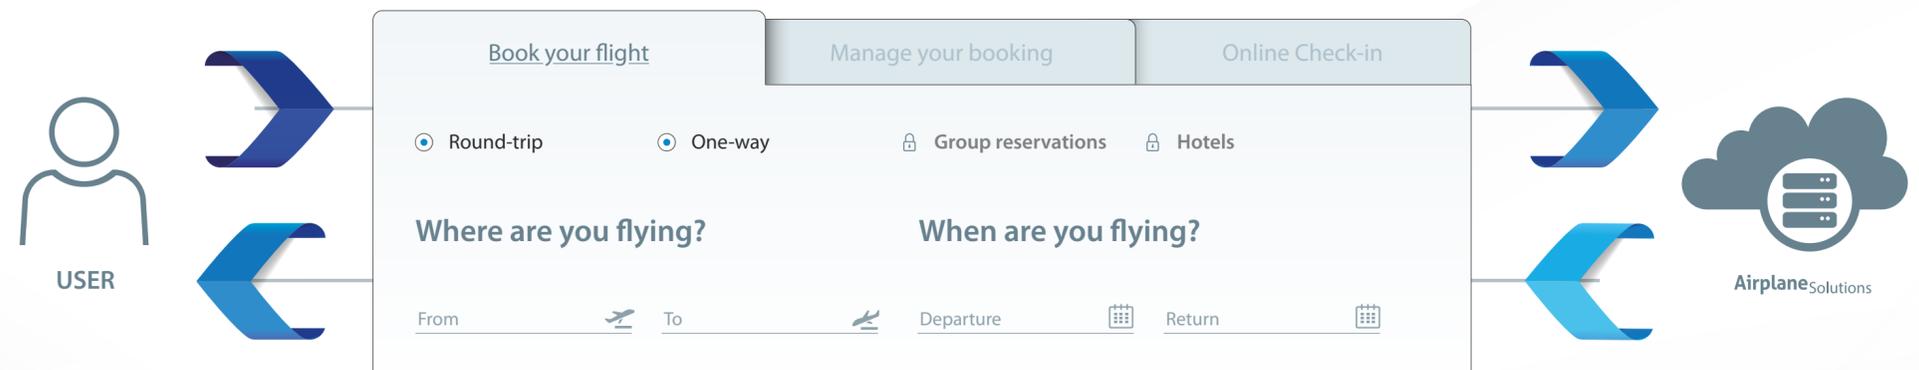

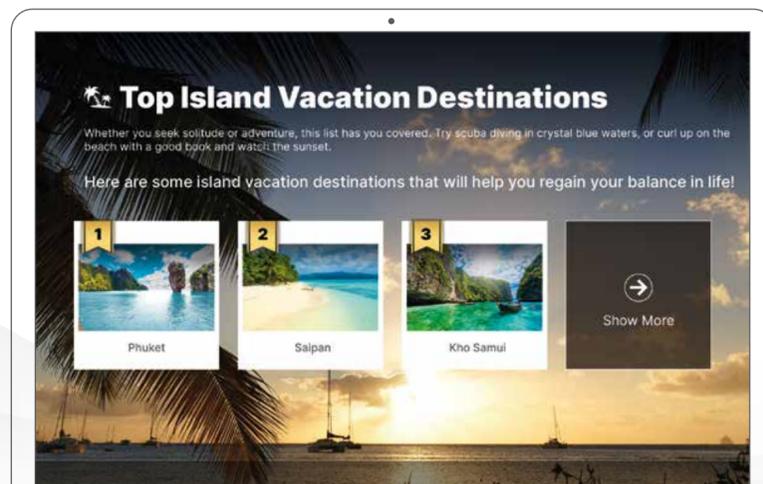

It's a SaaS solution within **Azure Cloud**: always using the latest technology, with huge operating speeds and unlimited scalability.

Great for web Calendar, Marketing activity, landing pages, inspirational Solutions and other. The **easy-to-use APIs** makes a smoothly integration with the airline systems and third-party providers.

Ideal to be used with **Air Pricing** (real time fare quote), but not mandatory, our advanced cache makes feasible to be used with other more costly distribution providers.

**Inspirational Solutions**

**KEY KPIs**

- 16 ms\*** Response time
- 25%** Time spent in the availability screen
- 30 MM** Daily pricing responses per carrier

\* Using **Air Pricing** as fare quote calculator
